We've Only Just Begun!

We've only just begun to live,
white lace and promises . . .
A kiss for luck and we're on our way.
We've only just begun . . .
before the rising sun, we smile,
so many roads to choose
we start out walking and learn to run.
Yes, we've only just begun,
we've only just begun.

Sharing horizons that are new to us,
watching the signs along the way
talk it over . . . working together
day to day, together.

And when the evening comes . . .
we smile.
so much of life ahead,
we find a place where there's room to grow,
And yes we've just begun,
WE'VE ONLY JUST BEGUN.

Best Wishes
James H. Thomas

Our school years hold many wonderful memories to which we feel Mr. and Mrs. Thomas have contributed greatly. Mr. Thomas, as soccer coach, class advisor, physical education and health teacher, and Mrs. Thomas, as FHA advisor, class advisor, and Home Economics teacher, have served the students with endless energy and dedication. We, the 1972 Conococheague staff, dedicate this book to you, Mr. and Mrs. James Thomas.

Color, motion, sound . . .
the never-ending passion for life!
Lightened with laughter . . .
shaded in participation,
and deepened by involvement.

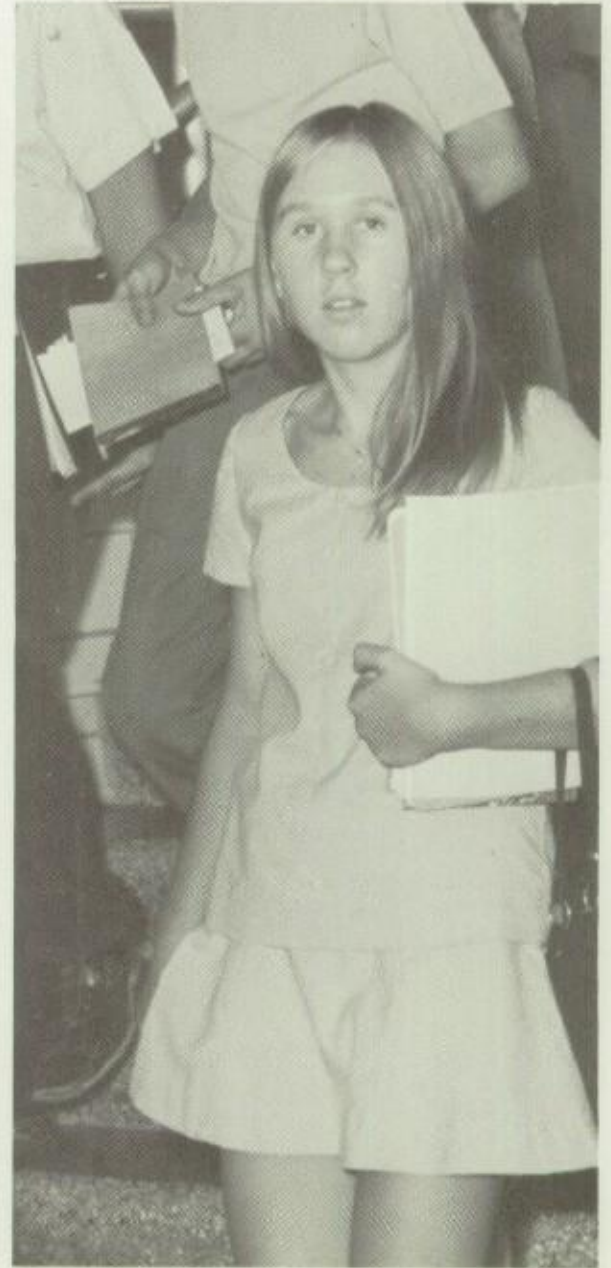

Private moments to be
shared collectively . . .
let the world
hurry by while we stop for
an experience . . .
learn to react under the
microscope of time.

The faces of youth and those who
work with youth,
reflect the hope, joy, love,
anxiety, admiration, and frustrations
of today's people . . .
given an opportunity to grow
and mature, these faces will guide
tomorrow's destinies.

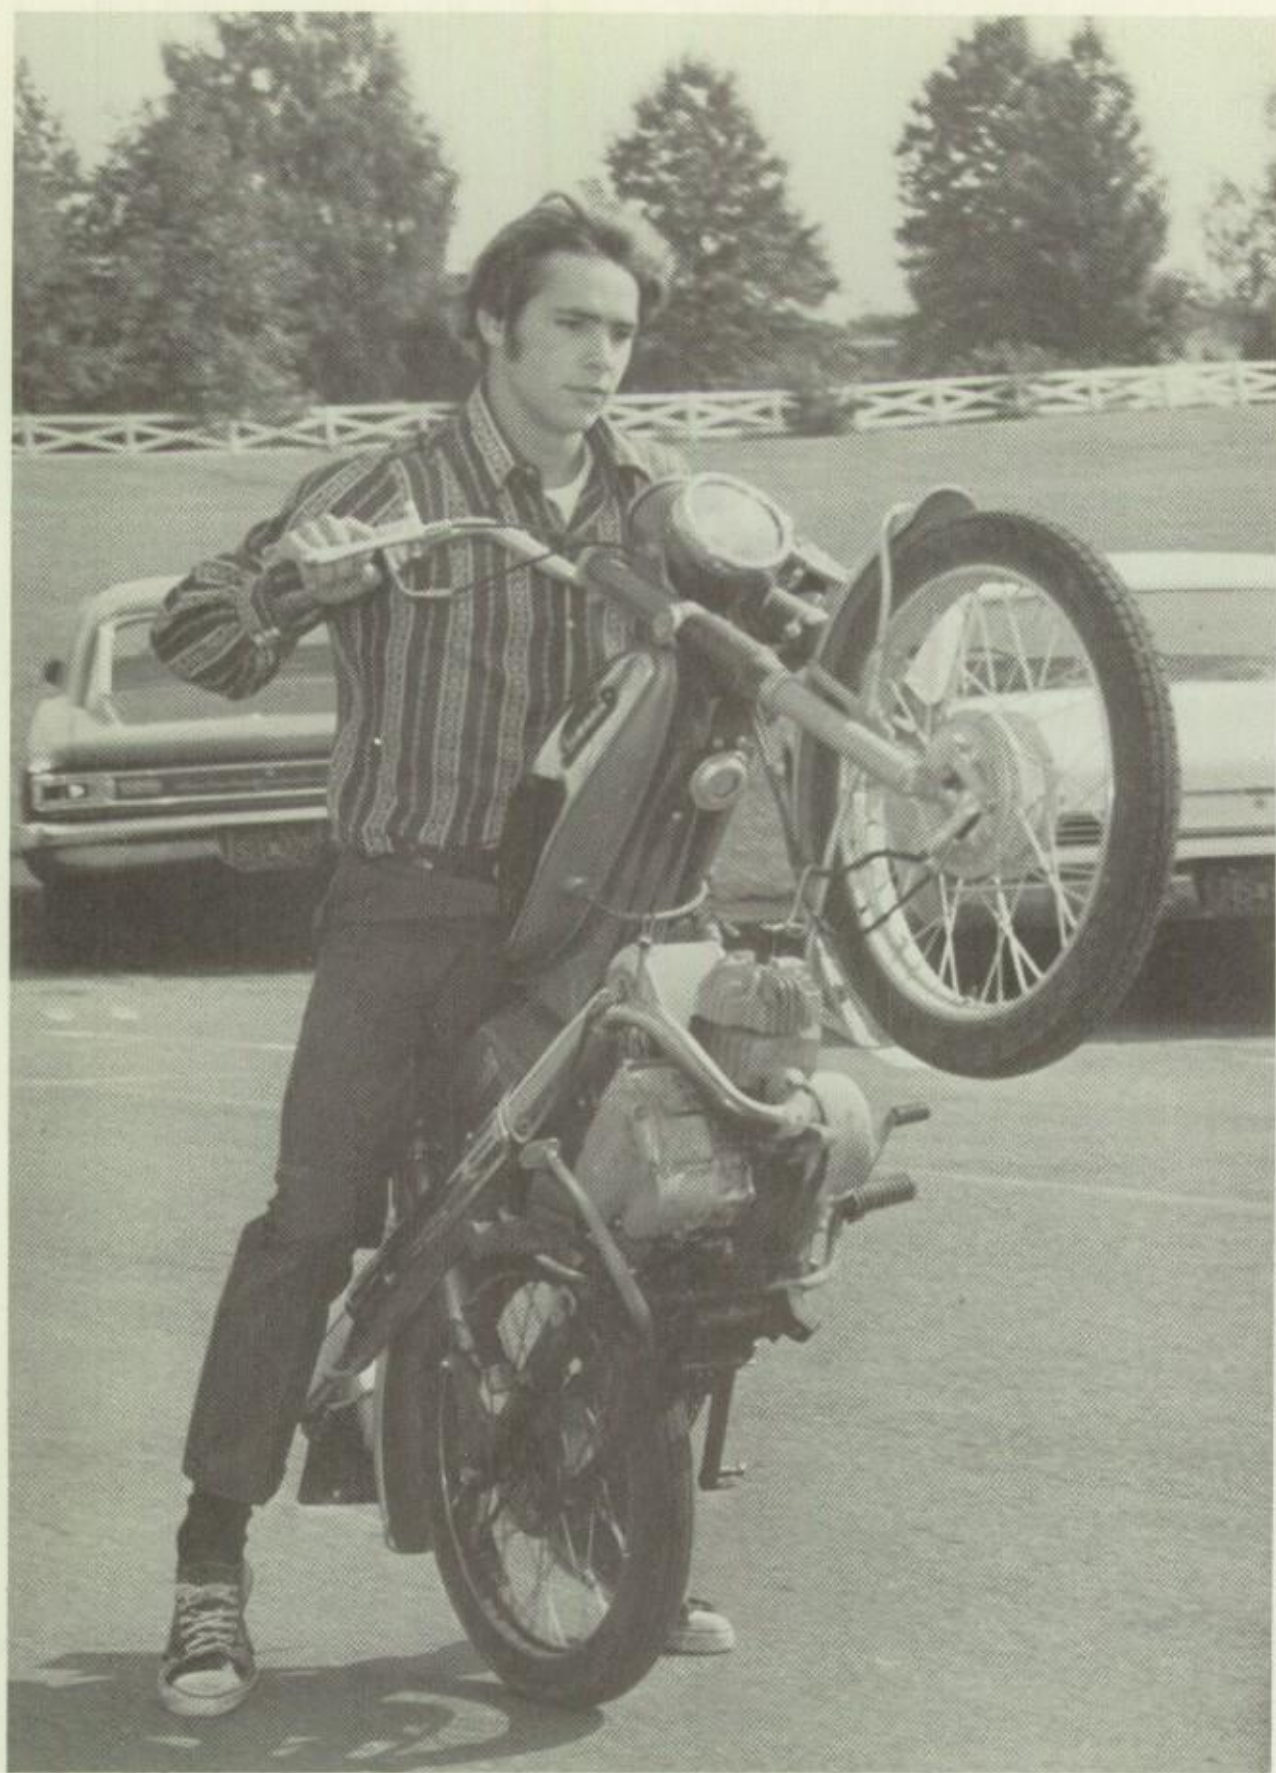

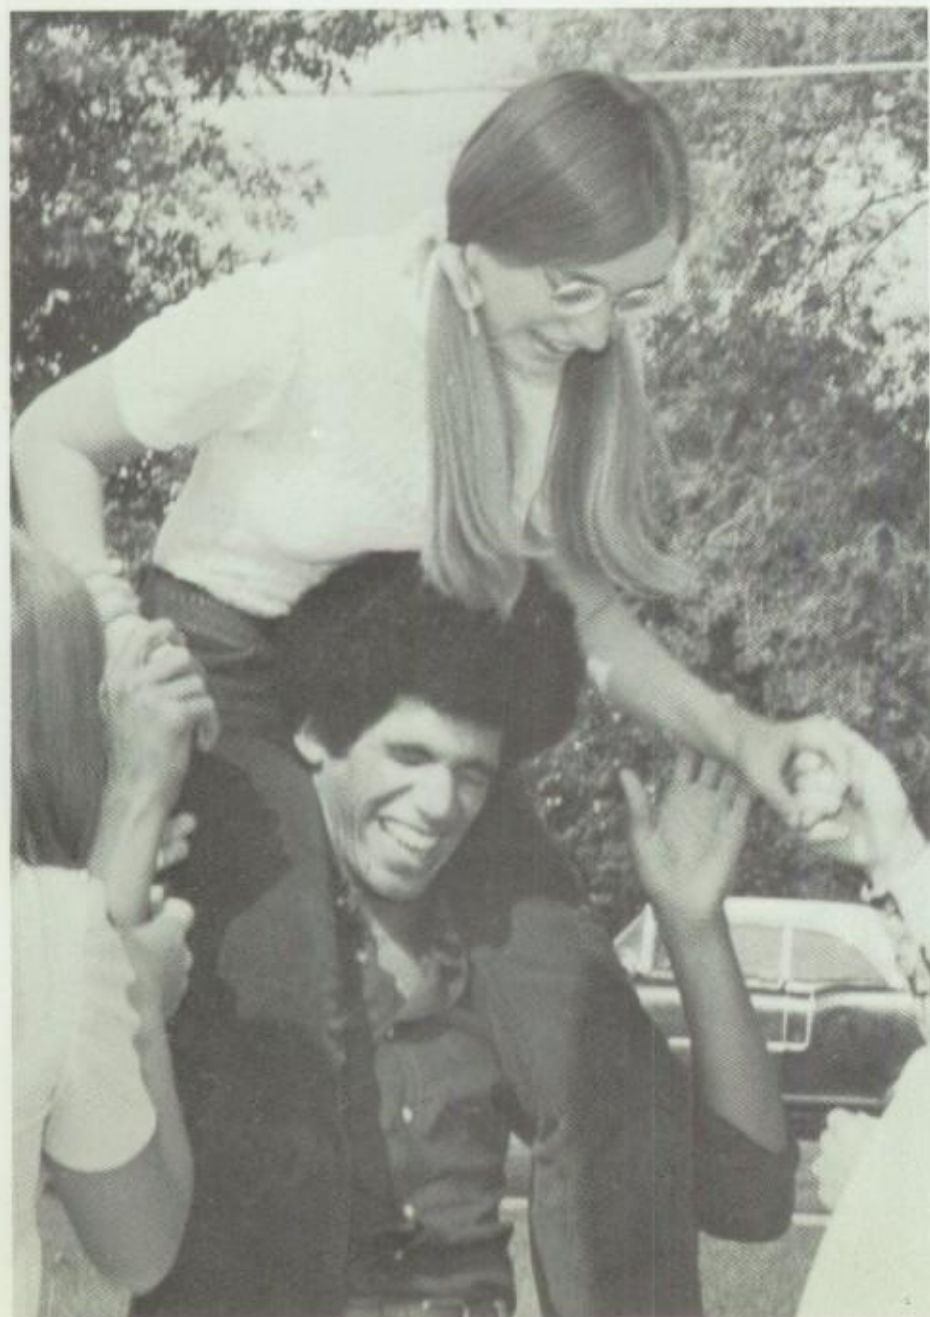

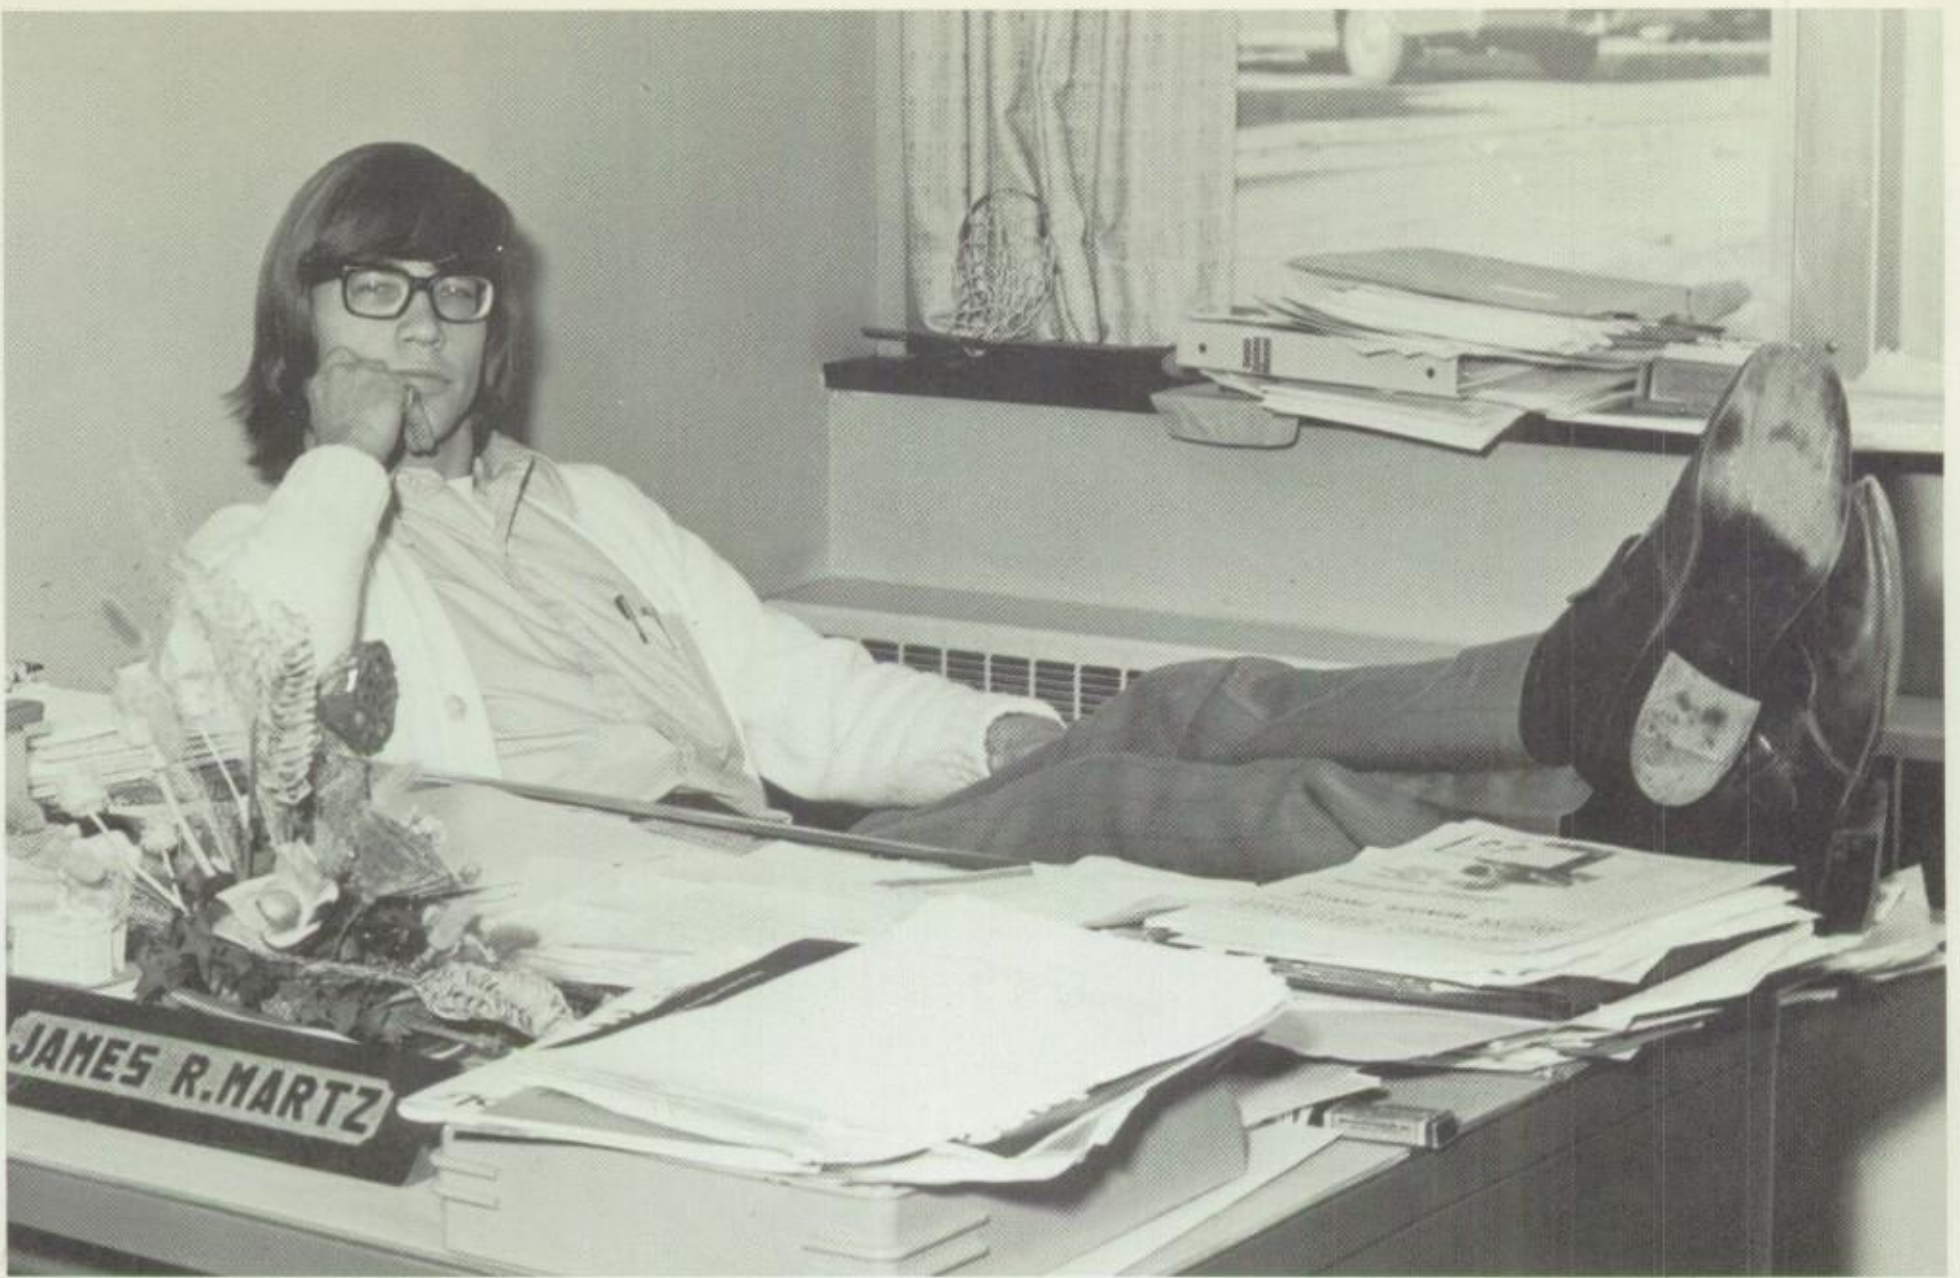

Many things have gone by,
only the memories remain . . .
the helmet of a favorite player,
the quiet moments in the hall,
long-awaited senior pictures . . .
queens, crowds, and love . . .
will remain with us forever.

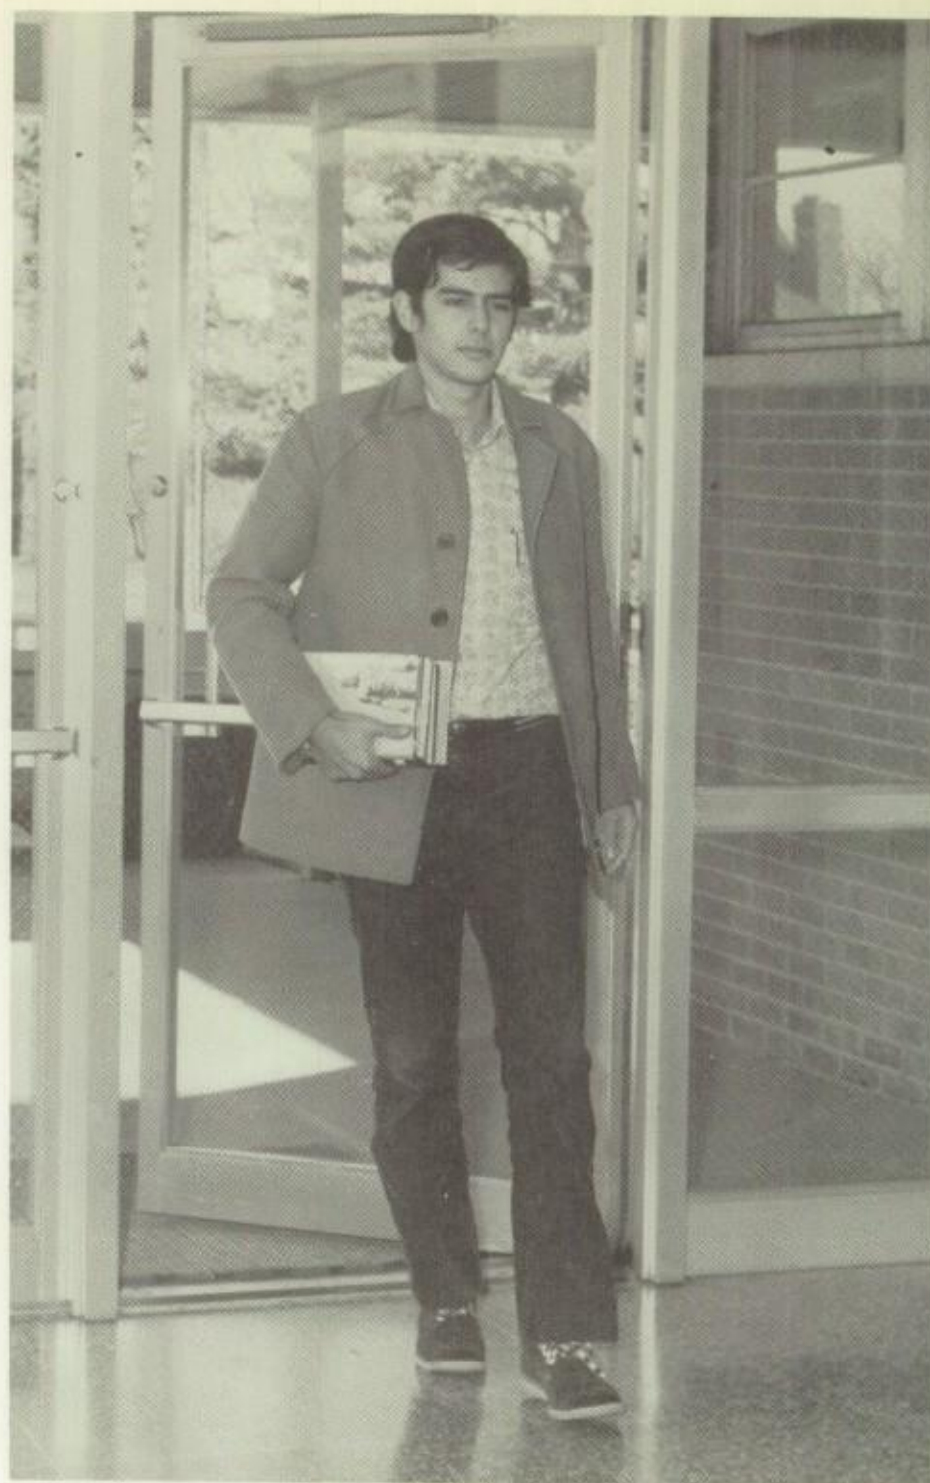

The life of a high school student
is a composite of involvement . . .
yearbook fun, cycle
riding, resting in the halls . . .
and signs of the times . . .
Don't look back,
something may be gaining on you!

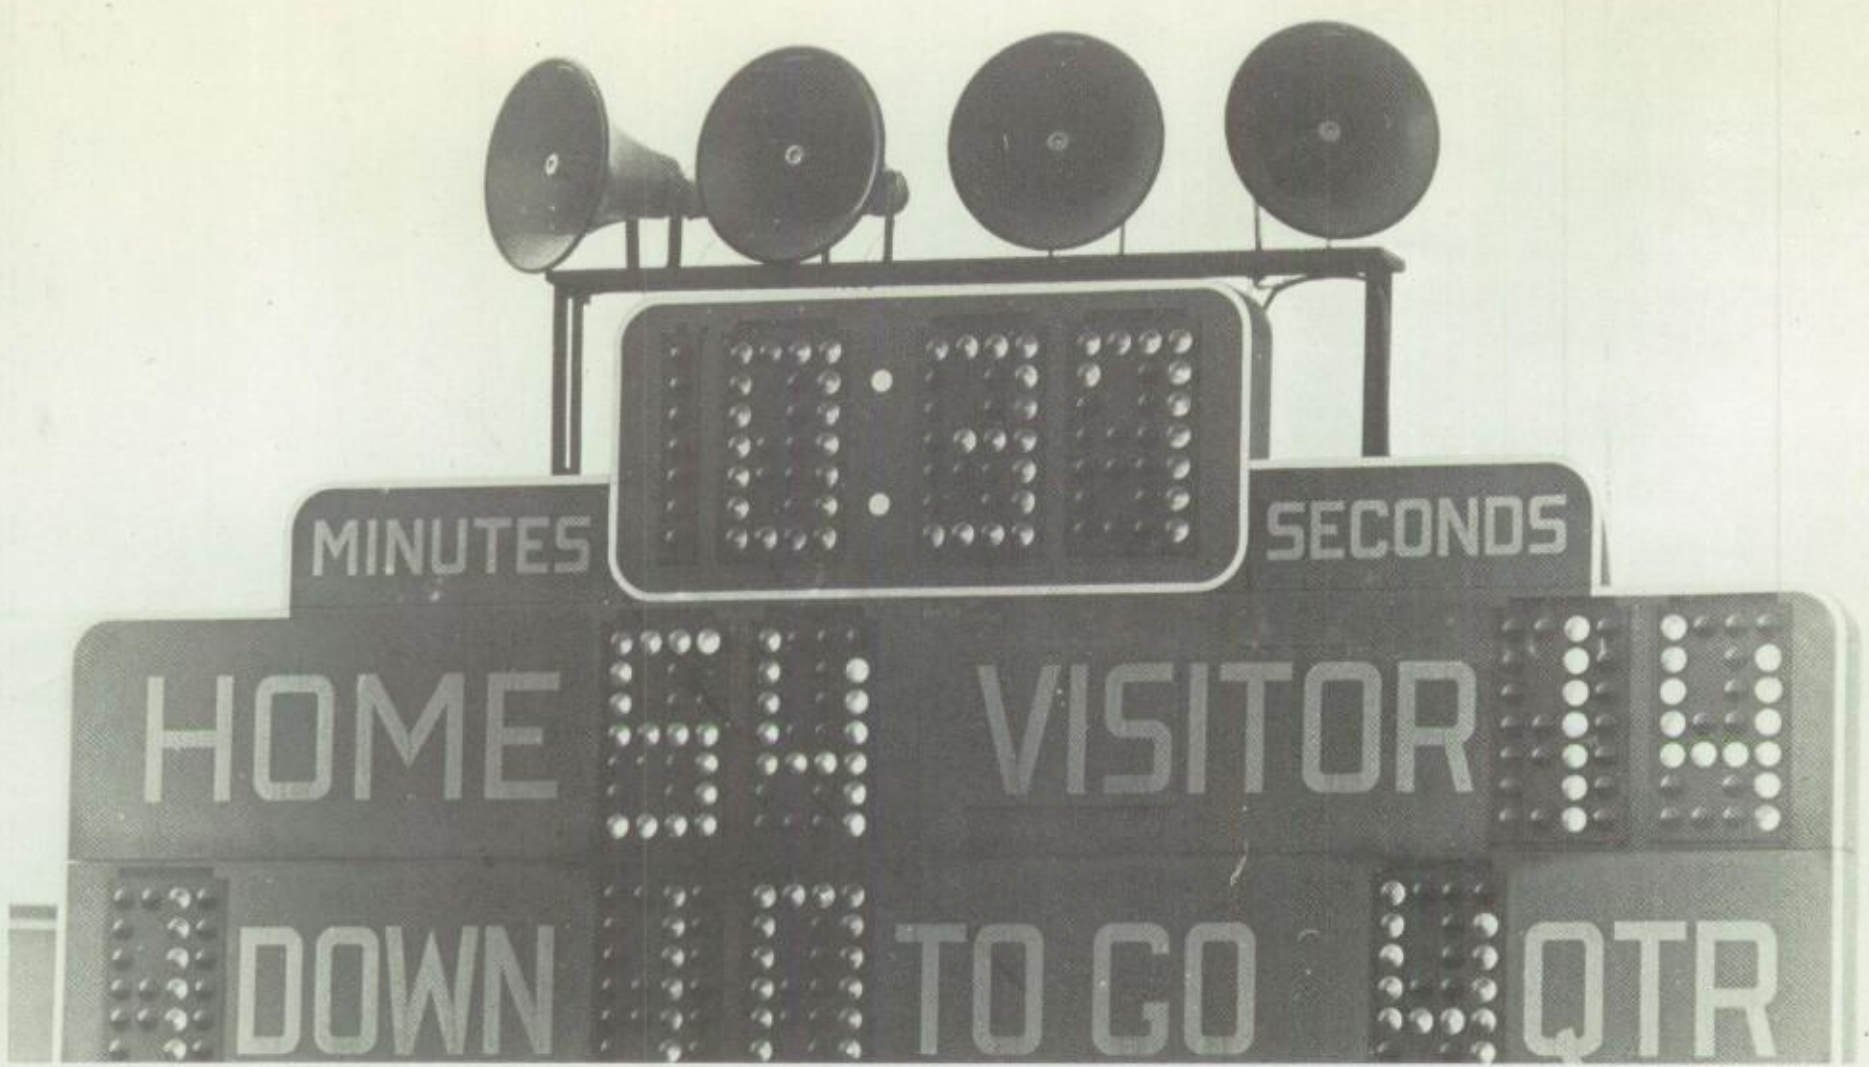

Silvio Jose' Alimonda

The 1972 class is proud to have Silvio Jose' Bueno Alimonda as our foreign exchange student this year.

Silvio will be staying with us for three months before returning to Brazil, South America.

He is living with his American brothers, Mark and Wayne Henry. The first time Silvio saw snow, he was quoted as saying, "For me it looks like whipped cream covering all the houses, streets and fields."

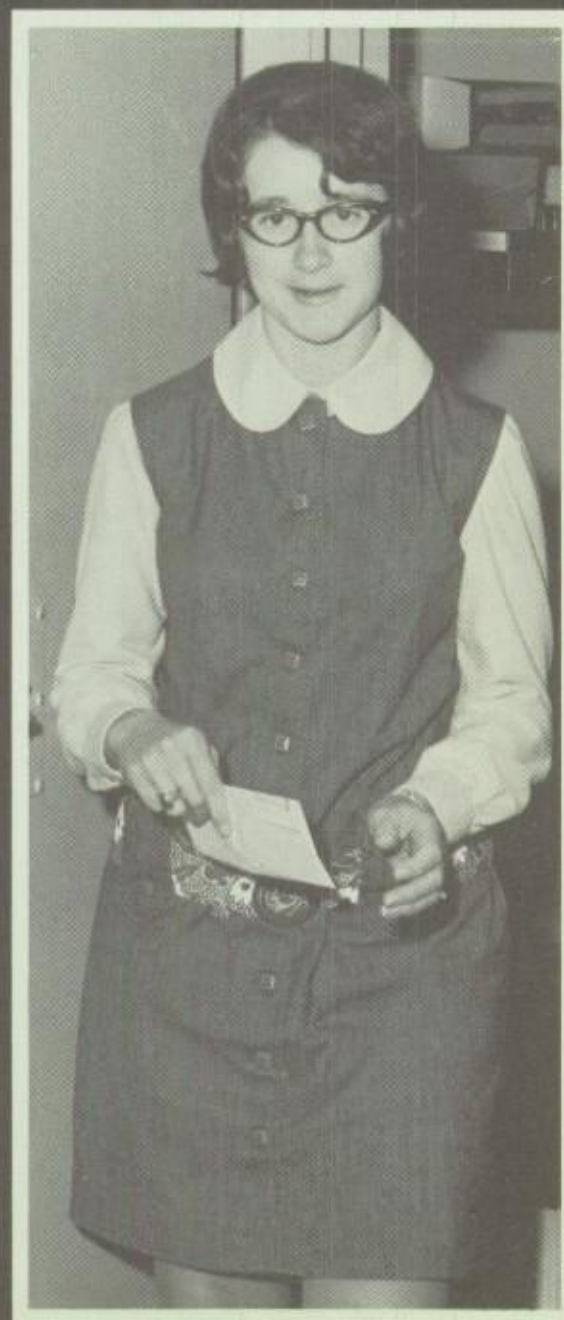

Memories . . .

the quiet reverence of the Christmas spirit, the cheer and laughter at a favorite pep rally, a winning score, the senior prom . . .

Memories remain as we pass through the golden gate of our high school years and out into the world and know "We've only just begun."

Devilettes Have Spirit

The Devilettes ended their 1971-72 season with a record of 4 wins, 4 losses, and 2 ties, giving them fourth place in the South Penn Hockey League. The forward line met stiff opposition but was still able to score 8 goals against their opponents' 7. Lu Ann Myers took scoring honors by driving 3 goals across the line, and Debbie Oberholzer held down second place with 2 goals. Cay Henson, Betty Lou Gingrich, and Kathy Sease each scored 1 goal. Assisting on many of the goal-scoring plays was Roberta Leshner. Much credit must be given to the defensive efforts of Roberta Statler, Cathy Rice, Linda Crouse, and Sue Crouse, who worked hard to keep the opposition from out-scoring the Devilettes.

The Junior Varsity had a record of 3 wins, 6 losses, and 1 tie. High scorer with 3 goals was Alice Musselman, who received much aid from Rachel Horst. Second scoring honors went to Kay Reichard, who scored 2 goals, and third honors to Margaret Rinehart.

The Devilettes will be losing nine valuable seniors, but hopes are high for more victories next year.

Devils Have Best Record Ever

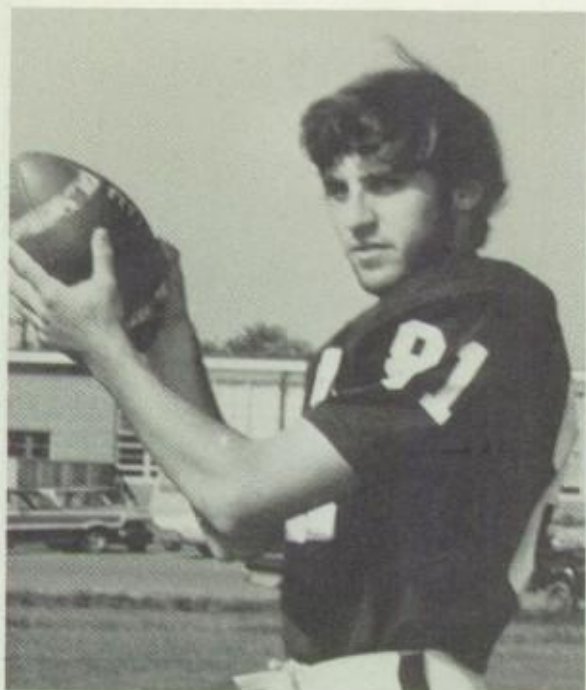

The 1971 football season marked the advancement of this sport once again in Greencastle-Antrim High School. The Blue Devils notched the best season record ever: 4-5-1. The football season had many spectacular highlights. This year's graduation will take the best group of seniors the Devils have ever had: Denny Flythe, Jeff Berger, Gary Stockslager, Bill Fitz, Kirk Rowe, Jim Danner, Tom Statler, Dave Baer, and Pat Robinson. Despite the loss of all these seniors, Coach Ruda has a bright outlook for next year.

Cheerleaders Create Spirit

• The Cheerleaders have worked hard to make this sports year exciting and different. With enthusiasm and pep, they have supported their teams through victory and defeat. This year's squads, under the guidance of Mrs. Verdier, have had several successful pep rallies to help increase school spirit. They have spent many hours making posters and banners so that our teams would know that we are behind them all the way. As the Cheerleaders say, "School Spirit starts in You and Me."

Devils Have Teams, Yeah Man!

This year's basketball season was sighted as a year of increased experience. The team began and ended the season with fast teamwork, skill, and that booming Devil Spirit. The squad showed great pleasure and pride in their new coach, Mr. Duncan, who taught many new plays. Although five seniors will leave at the end of the year, we are anticipating the return of many fine underclassmen.

Devils Keep Striving to Set New Records

The track team set a few new records this year. For the first time a Greencastle team took first place in the 880 yd. relay champions. In the Sonny Sheppard Memorial Relay Meet, the team scored seven points, the most Greencastle ever scored in this meet. Bill Fitz broke the high jump record. He jumped 6 feet, 1¼ inches. The old record was 5 feet, 10 inches.

There is a prosperous outlook for the next track season.
